```c
#include <stdio.h>
int main(){
    printf("my favourite number is:%d/n"
        ,15);
    printf("my favourite letter is:>.c"
        ,'d');
    return 0;
}
```

my favourite number is:15/nmy favourite letter
    is:>.c
